## CELEBRATING EXCELLENCE, LEADERSHIP, INTEGRITY, LOYALTY, RESPECT AND OUTSTANDING ATHLETIC ACHIEVEMENTS

Thanks to an amazing partnership between Bodegas Pinea and Texas A&M Athletics, "12" wine was created to make luxury wine accessible and affordable for sports fans and wine lovers alike.

An exquisite wine that reflects the simplicity and sincerity of the Tempranillo grape from our vineyards in the Ribera del Duero region of Spain. Every bit of this variety's potential is highlighted in this pure and elegant wine. "12" wine is the result of gentle guidance in the vineyard, and delicate care of the fruit during the entire winemaking process. This approach allows you to truly appreciate the Tempranillo grape due to our minimal intervention.

The beautiful aromatics and complexity of flavor are obtained thanks to careful viticulture and more than 3,000 ft. in elevation of our vineyards. A hands-off approach to vinification and clean\* wine making process allows the fruit to be the star of the show and speak to its place of origin. The result is a delicious ensemble of fruit, perfumy aromatics, velvety elegant texture, and persistent finish.

### HARVEST:

In 2020, the weather conditions were extraordinary, with ideal temperatures and rainfall in accordance with each season of the year: Rainy spring, dry summer, and cool nights... This favored the production of extraordinarily balanced wines of good to excellent quality.
